Our Story

Flame. A secret South African BBQ recipe wrapped around amazing ribs and steaks. We're a restaurant of course but we pride ourselves on the welcoming and enthusiastic service we bring to every table. Entertainment from start to finish. The views are stunning, the team are hand-picked for their passion and our warm welcome is just the beginning of what we hope will be a long and happy friendship.

Flame Bar and Grill. Upstairs with the best lake views.

South African Braai BBQ

In South Africa, a "braai", the local version of a barbecue, is a cultural phenomenon as popular as rugby. The locals take their braais very seriously: good wood, big hunks of meat, cooked properly over fire.

Here at Flame we emulate the Braai with searing hot specialised grills, charring the edges to perfection and producing the aroma around town that leads your nose to Flame.
